

### Activity 3: My Target Audience

The purpose of this activity is to identify the characteristics of your kitchen and identify best training activities.

Instructions: The Facilitator will walk you through the four different columns. Complete each column based on your kitchen.

1. Characteristic	2. Potential Strengths They Bring	3. Potential Challenges	4. Training Activities & Tools
Seasoned employees. 10+ years	-Reliable in crisis -Many years of experiences -Familiarity with the kitchen	-More resistant to training because they have seen many policy changes in their time -Well established work habits and routines	-

<b>1. Characteristic</b>	<b>2. Potential Strengths They Bring</b>	<b>3. Potential Challenges</b>	<b>4. Training Activities &amp; Tools</b>
