

Worksheet 2:

Putting Together the Pieces: Drafting Training Activities

The purpose of this worksheet is to help you draft your Training Activities, putting your Training Topic and Objectives into practice.

Instructions: Please complete each of the prompts below and then spend time drafting your training activities step-by-step. Time each step. Describe the tools you will need. Be clear about the content of your training and make sure your tools and activities reflect this content. Note which different learning styles and which characteristics of your kitchen your activity addresses.

- 1. Training Topic:**
- 2. Training Objectives:**
- 3. Target Audience:**
- 4. Resources and Logistics:**
- 5. Training Activities** (see the in-session Handout 3 for an example)

Training Activity 1:
